Minutes of the previous meeting and Treasurer's report were accepted. Note was made that the last musical of the year, The Drowsy Chaperone, lost about \$1,000 when final expenses came in.

President's report:

All board members should serve on at least one committee. A Membership Committee chair is still needed, and hopefully a board member will volunteer.

Hospitality: Kick off dinner will be held on Saturday evening Sept 29. Players will provide soft drinks. Adults who wish to drink adult beverages should bring their own.

The Newsletter has been mailed and should be received soon. An updated newsletter will be mailed, reflecting the kick-off dinner.

OLD BUSINESS:

South Pacific has been cast and is starting rehearsals. Matt loves his cast but could still use some young men in the ensemble. Donations are needed for the silent auction. Also, some volunteer help is needed for the tables, bookkeeping etc. for the auction.

The summer workshops went well.

Both bathrooms are up and working. A solution to the underlying problem is pending.

NEW BUSINESS:

We have a contract for Wi-Hi. Other dates are not firm yet. David Allen is requesting some help with South Pacific tickets. Note is made that tickets for Love, Lost will be separate from the season.

Megan Davis has resigned as vice-president because she is leaving the area. She was commended for her outstanding work on and off stage. The board selected Darrell Mullins to complete Megan's term as VP. At the October meeting, the board will select a new member for the position that Darrell is vacating, a term ending in 2020.

There being no further business, the meeting was adjourned.
